

## Paws Up Activities Schedule

7am - 9am	The day at Paws Up begins with old and new friends meeting each other and the 2 daycare rooms being established. Downstairs is the Party Room where our dogs are a little more boisterous. Upstairs is The Lounge for our slightly more chilled out crew. Once everyone is settled and comfortable with each other games begin.
9am - 10am	Exercise and games with their friends and the crew. Games include chasing, tug of war and wrestling.
10am - 11am	Lots of fetching and retrieval work with balls, rings and Frisbees.
11am - 12pm	Once we are all a bit tired, it's time for some treats and basic obedience.
12.00 - 1.30pm	It's time for a rest. A full morning of running around, let's have a break and hang out in the puppy lounge or on a bed for snoozing.
1.30pm - 2.30pm	Playtime recommences with some mind games with treat balls, Kong's and other toys.
2.30pm - 4pm	Some fun agility games using tunnels, blocks, small jumps and hoops.
4pm - 4.30pm	Training recommences with some more treats. Another little nap to recover.
4.30pm - 7pm	It's all calm here now, we are starting to see our friends go home. Mums and Dads are coming in the door and we know its time to go, sleep and have dinner.
